

CCF 14th International Conference on Service Science

Invitation Letter

Dear _____:

Hosted by the China Computer Federation, organized by the CCF Technical Committee of Services Computing and Xidian University, CCF 14th International Conference on Service Science (CCF ICSS 2021) will be held at Xidian University, May 14-16, 2021.

CCF ICSS 2021 focuses on the topic of “*Blockchain-Inspired New Services Computing Paradigms*” with the directions on intelligent and cognitive services, service science, service management, service innovation and design, software service engineering and development, big data and big services, cloud services, IoT services, and edge services. We will arrange varieties of activities to provide a platform for the presentation and exchange of research results and practical experiences on serviceology, consisting of keynotes, panels, paper reports. The speakers in the conference include many of the leading service science experts from both academia and service industries around the world. Experts and scholars are welcome to apply for joining CCF and CCF TCSC as a member. We sincerely invite you to participate in CCF ICSS 2021 and hope that you would have a wonderful experience in Xi'an!
